Manitoba Country Music Association Greetings

President's Message 2021

On behalf of myself and our Board of Directors;

Welcome to the sixth annual Manitoba Country Music Awards presented by the Manitoba Country Music Association, Dauphin's Countryfest, and The Metropolitan Entertainment Centre by Canad Inns.

We are very proud to have two incredible Manitobans sharing the hosting duties this year, MDM Recordings artist, multi Manitoba Country Music Awards nominee and winner and multi JUNO Award nominee Don Amero, and Now Country 104.7 Morning Show host Stefan Richard.

This year, our awards show is going to be a little different than it has been in the past 5 years. In an abundance of caution, we chose to present a virtual awards show instead of a live attended event due to Covid 19. We did this with the very important goal of recognizing the hard-working Manitoba artists, and all of the other nominees who have continued to share their music in the face of a global pandemic. This show recognizing outstanding achievement in the Manitoba country music community is more important this year than it has ever been.

This year's show, however, will look very much like our live attended show thanks to our venue sponsor The Metropolitan Entertainment Centre by Canad Inns. Through their generous contributions, we were able to record all of the performance and award announcement segments at the absolutely beautiful Metropolitan Entertainment Centre by Canad Inns where we have held our awards show for the previous four years. It will be a beautiful show!

Special thanks to our title sponsor Dauphin's Countryfest for helping us to host this wonderful event again this year. A special thanks also to all of our generous sponsors who you will see in this program, who have committed to supporting the MCMA, and without whom this event would not be possible.

We are very proud of the incredible wealth of talented Manitoba artists that we are blessed with, and the hard work and the tenacity that they have shown in the last 19 months. 2020 and 2021 have been wonderful years for new Manitoba country music and you will see just a sample of that tonight in our show.

My personal congratulations to all of the nominees and winners of the 2021 Manitoba Country Music Awards.

On a final note, I am incredibly proud to be a part of the team that leads the MCMA. I have never come across a more talented and hard-working group of people than the Executive and Board of Directors of the MCMA. This team leads with integrity, professionalism and all volunteer their unique skills and time to help foster and grow the incredible Manitoba country music community that we have all worked so very hard to build. It is an honour to be a part of this outstanding group of people. Thank you all for your hard work!

Thank you for spending your evening tonight with us and supporting country music in Manitoba.

Enjoy the show.

Miles Trach
